

Carl St. Clair, CFE - Vice President of Operations and Projects

St. Clair is a Certified Facilities Executive with extensive experience in the event industry, including 50 years of experience in the management of convention centers, arenas, performing arts centers, auditoriums, stadiums, and fairgrounds facilities. Past positions include being Executive Director of the Pine Bluff, Arkansas

Convention Center; Executive Director of the Mankato (MN) Civic Center; and Assistant Director of the Oklahoma City Public Events Facilities Department - Myriad Convention Center, Civic Center Music Hall, and the Oklahoma State Fairgrounds. St. Clair also has taught and served on the Board of Regents at the IAAM Public Assembly Facilities Management School at Oglebay, West Virginia. At VenuWorks, St. Clair is in charge of special projects and is the lead person in providing pre-opening services to new facilities and transitioning accounts to VenuWorks management.
